

local directions

From the A2, at the roundabout head along the A258 towards Deal. You will pass the Swingate Inn on your right. Then take the next turning on your right, signposted St. Margaret's at Cliffe.

Follow this rural road down for approximately 2 miles (you will pass a hotel called Walleth's Court on your right hand side) before coming to a junction. Turn right at the junction, taking you into the village of St. Margaret's at Cliffe. The road is called Sea Street. Follow the road through the village, passing the shops. You will then pass the Church on your right shortly followed by the Primary School set back on

your left. At this point you will be driving uphill and at the top you should have a fantastic view out to sea. Staying on the same road, follow the hill downwards towards the beach. This is Bay Hill. The Pines Calyx is signposted at the top of the hill. Once you have gone round the hairpin bend, you must take the next right onto Beach Road, again signposted Pines Calyx. At this point there will be parking attendants visible to guide you to a parking space. The Pines Garden main entrance is located on Beach Road, and the Pines Calyx is situated within the grounds.

Please be aware that mobile phone signals are weak and predominately French in St. Margaret's Bay.
